I don't have any others to add, both of the ones with us [REDACTED] is the PM. I have cases with submitter pressure for sure ([REDACTED] has two for which the submitter was really pushing), but I don't consider them "hair on fire" just yet... but I could be less affected by that [REDACTED] Ex. 6 Personal Privacy (PP) [REDACTED].

Should we coordinate our lists? The two that keep calling me are:

P-20-0097 (Tim Zeli, first contacted me: Oct. 1)

P-20-0105 (Devin Millions, first called Nov. 4)

Neither submitter was claimed CBI, but we do need to be careful about that.

Please add those cases as well, but notate that it was sent to BC, date and from whom. Likely, it will elevate above the BC if we are not able to move the case (which is the majority of the situations).

There's also the SNUN (SN-20-0006) that we just received the Congressional on.

Do you also want cases that have been raised to the branch chief level? Or only cases that have been elevated higher?

Below is list of emails I've received from companies regarding cases. If you know of other cases, please add it to list. We anticipate we will be receiving many more of these elevation issues before the year ends. [redacted] would like to get an update on where stand on each these hair on fire cases at the OPPT biweekly tomorrow at 3:30.
